

Ishik University hosted Global Shapers- Erbil Hub with Malala Fund for a training and workshop for young women between the ages of 13-20 on July 11th, 2017. Two main agenda were discussed in workshop: Youth Empowerment and Leadership and Public Health. The program ended by small group discussions which were supervised by experts while Malala were joining to each group individually. At the end of the day, Malala's 20th birthday was celebrated with local girls. It was a pleasure to have Malala's positive impact on local girls.

At the end of workshop, Dr. Idris Hadi *Head of Board of Trustees of Ishik University* gave plaque to Malala yousifzada.
