

ICDL Training Center

In order to improve the lecturer and students skills the IT Services department is planning to get the ICDL (International Computer Driving License). Our department is working to build good relationship with ICDL Arabia Group in Dubai in order to open the ICDL center in our university. for more information, please [CLICK HERE](#)

This certificate will give our students very high skills in the computer science and computer technology and to get future secured business opportunities.

Our university is planning to open the ICDL center to give this license for all university students.

The ICDL Training started from **December 16, 2017** to **December 19, 2017** and [Dr. Qaysar Mahdy](#) participated in the course in Dubai.
