

*Ishik University President, **Dr. Idris Hadi** and Dean of Faculty of Administrative Sciences and Economics **Fatih CURA**, and Head of Accounting Department **Krishan Navulur** interviewed about 100 possible professor candidates for different areas of specializations for the academic year 2018-19.*

Ishik University team wanted to improve quality of education and advance portfolio of academic staff of university. They interviewed about 100 candidates physically and agreed to interview more candidates online to acquire quality of academic staff for 2018-19 academic year.

During the visit to Hyderabad from different specialization of dentistry, pharmacy, architecture, survey, petroleum, engineering, business and accounting candidates were interviewed to be brought to Kurdistan to teach at Ishik University.

President of Ishik University Dr. Idris to promote Kurdistan and introduce Ishik University made presentation to over 100 candidates to answer their questions and concern about Kurdistan and Ishik University. Candidates were very happy about presentation and were eager to join Ishik University portfolio.
