

As new rules come from the ministry of higher education regarding the changes in the examination of law faculty which become unified with all universities. Gladly our students from law faculty got very satisfactory results. The final examination results for the academic year (2017-2018) were as mentioned below:-

A- First grade :

1- General English I passed average 73%

2- Criminology passed average 83 %

B- Second grade

1- General English II passed average 77% 2- public international law passed average 84 %

C- Third grade

1- Academic English language passed average 100% 2- personal statues Law passed average 79%

Presidency of Ishik University congratulate law students and special thanks to the denary and lectures of the law department for this great achievement and hopes better in future.
