

Three students from the business and management department (Omar Falah, Ramyar Saleem and Ahmed Mahmood ) got the acceptance for the student exchange program.

They are the first group from the business and management department to visit [TU Bergakademie Freiberg University in Germany](#). The exchange program is in collaboration of the international relations office of TIU, TU Bergakademie Freiberg and the Erasmus plus project.

The students will start with a five-month German A1 language course and after that they will proceed to start with their studies in the university in beginning of April 2019.
