

Table Tennis Tournament for all students organized by Student Deanery on April 15, 2019, and the final match was on May 02, 2019. The Tournament continued for more than two weeks, and 60 players participated. The tournament was knock out system; the player will leave the competition with a single loss.

In the final match, **Goran Rasul Khdr** from Civil Engineering Department and **Abdulqadir Fidaaldeen Muhammed** from the Civil Engineering Department. After performing a beautiful game from both sides, **Goran** won the title by winning the three rounds (3-2).

**Mr. Ali Bala**, *Dean of Students*, awarded the winner of 1st place, 2<sup>nd</sup>, and 3<sup>rd</sup> place, then he appreciated them for their performance and motivated them to participate in upcoming activates.
