

As part of their monitoring and follow-up procedures, a committee from the Ministry of Higher Education and Scientific Research - KRG visited the University on 22nd May 2019. The committee was headed by Dr. Dawood Atrushi, General Director of Engineering and Projects, MHE-KRG and Dr. Jamal Kamal, General Supervisor of Private Universities and Institutes. Other members included staff from other public universities.

The committee was welcomed by Dr. Idris Hadi who made a comprehensive presentation about Tishk International University and its entire education process. Later the Director of Quality Assurance, Dr. Samira T. Saeed, presented the process of quality assurance as implemented at the University in terms of its policy, structure, and procedures. The committee expressed their satisfaction with
