

**Dr. Hans J. Hoyer**, the General secretary of the International Federation for Engineering Education Societies (IFEES) & Executive Secretary of the Global Engineering Deans Council (GEDC), Joined the Board of Trustees of Tishik International University. This came after his visit to the University campus where he was warmly welcomed by **Dr. Idris Hadi Saleh**, the Chairman of the Board of Trustees and the acting of President of the University. During his visit, Dr. Hans accepted the membership offer presented by Dr. Idris after being introduced to the University and to the Board.

Knowing that Dr. Hans ,in addition to his duties in IFEES and GEDCS, is a Resident Scholar in Global Engineering at Marquette University, a Former Director of International Programs and Strategy for the American Society for Engineering Education (ASEE),and a co-founder of the Indo-US Collaborative for Engineering Education (IUCEE).

We, as Tishk International University team, are thrilled to have Dr. Hans in our highest decision making body, our Board of Trustees, and looking forward to further collaboration.
