Lomonsov Moscow State University is the first Russian University founded in 1755 on the initiative of Mikhail Lomonosov, an outstanding scientist of the Enlightenment, whose unsettled encyclopedic mind and energy gave the inner impetus to the project. Today, the emphasis is on advancing the applied science: new materials, genetics, biomedicine, pharmaceuticals, cognitive sciences, ecology, and information technologies.

On October 11, 2019 evening, Dr. Idris Hadi and Dr. Sultan participated in the Moscow State University festival of 2019 in the presence of the minister of higher education and Moscow State university president and USA consulate.
