

Ishik University's **Delegation** consisting of the President and the Vice President visited **Dr. Hussain al-Shahristani**, *Iraq's Minister of Higher Education* in his office. President Prof. Dr. Ahmet Öztaş gave detailed information about the university statistics, academic studies and social and cultural activities and the future plans of the university.

Showing warm interest and expressing the pleasure because of the visit, Dr. Hussain Shahristani stated that the scientific studies conducted and such non-profit educational institutions are very important for the future of Iraq so they appreciate Ishik for what they have done so far. In a sincere atmosphere, he also added that they will not withhold their support for the development and the progress of Ishik University.
