

Ishik University annually arranges Commemoration Ceremony for the Martyrs. This ceremony shows our thanks and appreciation to them. This year, the third one will be organized.

The event will be held at Saad Abdullah Conference Hall at 01:00 pm on Wednesday, March 02, 2016.

We invite all of our students and their families to the ceremony in order to show their thanks to them; to know of people who have sacrificed their lives to build a new life for us in which we can live peacefully. We own this life to those Martyrs and their families who had dared to send their sons to save this country.

We highly encourage all students to participate in the ceremony and to show their gratitude and loyalty to Martyrs and their country.
