

Ambassador of the State of Palestine **Nazmi Hazouri** paid a visit to Ishik University. Welcoming the guest in his office, *President Prof. Dr. Ahmet Öztaş* gave detailed information about Ishik university and the collaborations with the different universities and institutions from every part of the world.

President also gave information about the activities held by the university by making reference to the previous Spring Festival of Language and Culture in which different country representatives opened stands where the national clothes, foods, language and symbols of their cultures are demonstrated.

Ambassador thanked the president for this warm welcome and said that they want their students to study at Ishik University and as the Consulate General, they will support the students who will study at Ishik.
