

Ishik Career Center organized 3rd career center on the 10th of May, 2016 which will be continuing until 12th May 2016. During these days, company CEOs will come to Ishik University and present seminars for our students. This year about 25 seminars will be presented.

During the opening ceremony **Prof. Dr. Ahmet Öztaş** *president of Ishik University* made the opening speech and talked about his career life and advice the students to participate in such activities to help them to put a career path for their life. Then **Mr. Bilal** *Manager of Dinar Company* made a seminar about **“How to be a good manager”**.

Additionally company managers will receive CVs from our senior students to give them a chance to work in their companies.

The CEOs and managers will be given the certificate of appreciation and likewise the students also will be granted with a participation certificate of 3rd career days.
