

Third year students of the Faculty of Engineering under the supervision of Dr. Hassan Hassoon Aldelfi, expressed their gratitude and appreciation to distinguished third year student Krekar Kadir for his outstanding support to the Architecture Department students taking the course Structure.

The Architecture Department groups A and B honored Krekar Kadir through planting tree at Ishik University premises. Krekar is an example of student who shares skills and knowledge with his colleagues.

Dr. Hassan Hassoon moderated the ceremony that brought happiness to the interdepartmental students' collaboration amongst the Faculty of Engineering.
