### **Department: Pharmacy**

**Language of Education** English

**Duration of Education** 5 Years (6 years if Language Prep School is required based on English proficiency)  
High School 12th Grade graduates

**Admission Requirements** The total marks from Physics, Chemistry and Biology Courses must be at least 225 points  
Only the graduates from the Sciences are eligible to apply

**Grades** Students with 84 points or higher (Requirement for the 2018-2019 Academic Year)

**Foreign Students** Only Iraqi Citizens are accepted to this program

**Career Options** Private and/or public pharmaceutical clinics

### **Department: Architecture**

**Language of Education** English

**Duration of Education** 5 Years (6 years if Language Prep School is required based on English proficiency)  
High School 12th Grade graduates

**Admission Requirements** The total marks from Physics and Mathematics must be at least 145 points  
Only the graduates from the Sciences are eligible to apply

**Grades** Students with 85 points or higher (Requirement for the 2015-2016 Academic Year)

**Foreign Students** Only Iraqi Citizens are accepted to this program  
Iraqi Citizens with international graduation are eligible to apply

**Career Options** Private and/or Government Institutions

### **Department: Civil Engineering**

**Language of Education** English

**Duration of Education** 4 Years (5 years if Language Prep School is required based on English proficiency)  
High School 12th Grade graduates

**Admission Requirements** The total marks from Physics and Mathematics must be at least 145 points  
Only the graduates from the Sciences are eligible to apply

**Grades** Students with 85 points or higher (Requirement for the 2015-2016 Academic Year)

**Foreign Students** Only Iraqi Citizens are accepted to this program  
Iraqi Citizens with international graduation are eligible to apply

**Career Options** Private and/or Government Institutions

### **Department: Surveying and Geomatics Engineering**

**Language of Education** English

**Duration of Education** 4 Years (5 years if Language Prep School is required based on English proficiency)  
High School 12th Grade graduates

**Admission Requirements** The total marks from physics and mathematics Courses must be at least 135 points , institution graduates from same department with 80 points ,Only the graduates from the Sciences are eligible to apply

**Grades** Students with 70 points or higher (Requirement for the 2018-2019 Academic Year)

**Foreign Students** Only Iraqi Citizens are accepted to this program  
Iraqi Citizens with international graduation are eligible to apply

**Career Options** Private and/or Government Institutions

### **Department: Petroleum and Mining Engineering**

**Language of Education** English

**Duration of Education** 4 Years (5 years if Language Prep School is required based on English proficiency)

	High School 12th Grade graduates
<b>Admission Requirements</b>	The total marks from physics ,chemistry and mathematics Courses must be at least 210 points , institution graduates from same department with 80 points ,Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 77 points or higher (Requirement for the 2018-2019 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or Government Institutions
<b>Department:</b>	<b>Mechatronics Engineering</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
	High School 12th Grade graduates
<b>Admission Requirements</b>	The total marks from physics, and mathematics Courses must be at least 135 points, Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 70 points or higher (Requirement for the 2018-2019 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or Government Institutions
<b>Department:</b>	<b>Computer Engineering</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
	High School 12th Grade graduates
<b>Admission Requirements</b>	The total marks from Physics and Mathematics must be at least 140 points Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 80 points or higher (Requirement for the 2015-2016 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or Government Institutions
<b>Department:</b>	<b>Interior Design Engineering</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
	High School 12th Grade graduates
<b>Admission Requirements</b>	The total marks from Physics and Mathematics must be at least 140 points Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 80 points or higher (Requirement for the 2015-2016 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or Government Institutions
<b>Department:</b>	<b>Information Technology</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
	High School 12th Grade graduates
<b>Admission Requirements</b>	Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 65 points or higher (Requirement for the 2015-2016 Academic Year)
<b>Foreign Students</b>	Iraqi Citizens are eligible to apply Iraqi Citizens with international graduation are eligible to apply International students are eligible to apply (Turkey, Syria, Europe etc.)
<b>Career Options</b>	Private and/or Government Institutions
<b>Department:</b>	<b>Nursing</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
	High School 12th Grade graduates
<b>Admission Requirements</b>	The total marks from Chemistry and Biology Courses must be at least 135 points Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 72 points or higher (Requirement for the 2018-2019 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or public clinics
<b>Department:</b>	<b>Medical Analysis</b>

<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years (5 years if Language Prep School is required based on English proficiency)
<b>Admission Requirements</b>	High School 12th Grade graduates The total marks from Biology Course must be at least 62 points , institution graduates from same department with 60 points ,Only the graduates from the Sciences are eligible to apply
<b>Grades</b>	Students with 62 points or higher (Requirement for the 2018-2019 Academic Year)
<b>Foreign Students</b>	Only Iraqi Citizens are accepted to this program Iraqi Citizens with international graduation are eligible to apply
<b>Career Options</b>	Private and/or Public laboratory clinics
<b>Department:</b>	<b>English Language Teaching</b>
<b>Language of Education</b>	English
<b>Duration of Education</b>	4 Years
<b>Admission Requirements</b>	High School 12th Grade graduates Total marks from English must be 65 points or higher Graduates from the Sciences and Social Sciences are eligible to apply
